Upon inspection of your St. Louis County Hunting Cabin Site Lease L01850446, the St. Louis County Land Department has found the following conditions to be in non-compliance with the terms of your lease.

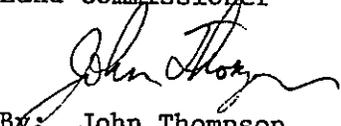

1. All debris (barrel stove, old heater, hose, old chairs, cans, buckets, barrel of empty cans, old refrigerator, boxes, old window, trash on porch, etc.) must be removed from the site and properly disposed of in an approved landfill site.
2. "Private Property, No Trespassing" signs must be removed. Item #8 of your lease indicates that such signs may be placed only upon the buildings owned by the Lessee.
3. The exterior walls of the cabin and outbuilding must be repaired and be of an earthtone color (item #6 of the lease).

You will have until September 15, 1987 to bring your lease into compliance. Failure to comply will be cause for suspension or cancellation of the lease at the discretion of the Land Commissioner.

If you have any questions, please call this office and ask for George.

Sincerely,

JOHN J. VOGEL  
Land Commissioner
